1958

Mike McCallister Reserved!

Mike,

What a privilege to be the first to sign your annual. I've had been nice going to school with you here at N.S. May you have the best of luck in everything you do.

Love you,

Jannie

P.S. I'll never forget those times in French class.

Mike,
It has been a great pleasure knowing you these past two years. Best of luck in every thing you attempt to do.

Your true friend

Passon!

Mike,

I am so glad that I am able to say that you are among my friends here at N.S. Your smile and song are great and I will always remember them. You have been a great part of our class, speeches and all. May you have the best of everything in life.

Love,
Edna Anne

Mike,

It has been a pleasure to have known you this year. You are a swell guy and we'll miss you next year. I hope that the best of everything will come to you.

Always,
Joyce

Thike, when you list people, some have to be at the top - that's where you are. When I first started staying up here - a person that you would one of the nicest boys up here - I found this to be more than a tide. Your personality shows. You're pretty great. Hope to see you in the future. Well if you need me. Best of everything. Love

Betty Sheppard

Mike O' Day,

I can't begin to tell you how much your friendship has meant to me. All this year you have stood out from the rest of the boys and I'll always cherish your friendship. Remember always that you'll have a friend in Christ.

Always,
Barbara

Reserved!

Dearest Mike,

What in the world can I say? It's hard to believe that Brother & I won't be together next year. I don't know how I'll ever do without you, honest.

I can't think of N.D. without thinking of you. We've had some balls, haven't we? You were one of the first people I met at this institution. I'll never forget Sophomore. Sophomore, her May Day. Thanks for being my escort, even though you went swimming and almost didn't make it.

Then another bouquet of thanks I'll give you for helping me so much with the paper. It would have never been possible without your help on those reads.

You certainly made a capable President of our class for two years. Congratulations are in order for so many things.

Mike, really you are about the best all-around guy I've ever known. You're great! And I love you for it.

You've had many girls crazy about you, but you just couldn't turn them on, could you? I knew some day you'll find your "Princess Charming." & she'll have to be great to merit you.

Even though you always beat me on my grades I still like you.

Not only have I come to love you, but that love is felt for every member of your family.

Mike, you'll go a long way 'cause you've certainly got what it takes to make a true success.

No matter where we are next year please don't forget me nor forget to write me.

Please, don't ever change, Mike & success will surely be yours.

Don't show too many girls next year! Stop by the city of D.C. Will I see me.

Love,
"His"

miss.
I have enjoyed
knowing you these
months. I enjoyed
playing ball with
you. Best of luck.
Bert Duke

Mike, I have been
great knowing and
a great fellow. Remember
me in your prayers and I'll
be praying for you. May
God always guide you.
Yours in Jesus,
Nicky Price

Within these walls, sportsmanship, citizenship, Christian principles,

WINNER OF THE 1957 SOUTH CAROLINA ARCHITECTURE AWARD

and the worth of the individual are taught by precept and example.

DEDICATION

RICHARD G. CAMPBELL

In appreciation for an example of fair play, honesty, and Christian principles, we honor a man whose job has gone beyond the realm of classroom teaching and has reached into that massive field of guiding young lives to find their place in the lineup in the game of life. We dedicate the 1958 AURORA to you—

OUR MENTORS

Winning the Carolina Baptist Junior College trophy was a highlight in the 1957-1958 season.

Spirit, determination, and the desire to win are only a part of what the faculty of our Baptist school instills into each individual.

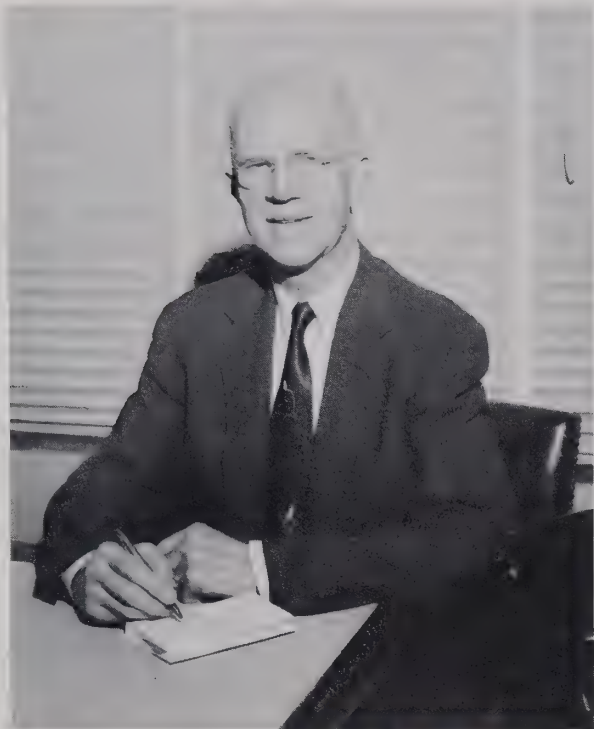

DR. M. C. DONNAN
President

With the completion of the new modern auditorium and music building, North Greenville has taken another step in its program of advancement under the direction of Dr. M. C. Donnan.

Since Dr. Donnan took over the presidency in 1928, North Greenville has progressed from a high school to a junior college.

It was mainly through the efforts of Dr. Donnan that North Greenville became, in 1958, a fully accredited junior college.

OUR ARENA MASTERS

The educational program of North Greenville is set up in such a way that each student gets a foundation in the sciences, the languages, and the arts. Small classes give the advantage of each pupil receiving individual attention.

Every student is given an opportunity to express himself to the best of his ability. Thus, we are all better prepared for the future and are guided into mature growth.

All work and no play makes Jack a dull boy, so the story goes. But the work of studying is what makes an education. If interspersed with a certain amount of play, studying will make the well-rounded individual.

ACTION IN THE AMPHITHEATER

Champions are active. Much practice and actual competition are necessary to produce a victor. At North Greenville we find that many winners are produced because of the experience gained in various activities.

Best Personalities

The BEST PERSONALITIES of the Sophomore Class, Dot Hattaway and Mel Quick, receive their fan mail.

SOPHOMORE

Most Likely To Succeed

Joan Sanders and Gene Griffith, who were chosen MOST LIKELY TO SUCCEED, try out the president's office for size.

Most Talented

Edna Ann Collie and Milton Nelson show that it's practice which gained them the title MOST TALENTED.

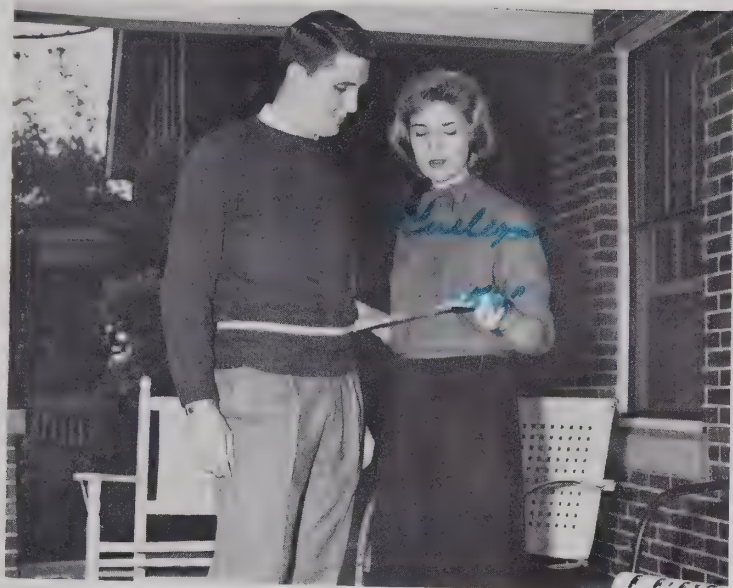

Wittiest

Page Maness and Gene Jackson participate in a little clowning which shows why they are the WITTIEST.

STARS

Best All Around

Any way you measure them, Evelyn McWhorter and Mike McCallister are BEST ALL ROUND.

Most Athletic

Freida Liston and Pete Carlisle, the MOST ATHLETIC of our sophomores, take time to examine equipment of their favorite sports.

Most Dependable

Our MOST DEPENDABLE sophs, Betty Jarrard and Russ Wimmer, find that being on time is a trait not to be neglected in dependability.

Friendliest

Friendliness is a characteristic of North Greenville, and Sandy Cook and Paul Chiles, our FRIENDLIEST, exhibit this as they wave to a visitor.

Evan Bussey received a certificate from the South Carolina Student Press Association for writing the best sports story in college newspapers.

Three members of last year's newspaper staff, Marilyn Lane, Marvin Lynch, and Martha Crenshaw, stand by editor Ann Thompson who holds the trophy won by the Skyliner for the best small college newspaper in South Carolina.

Ann Thompson
Valedictorian of the
Class of 1956-57.

Sybil Morrison
Salutatorian of the
Class of 1956-57.

TROPHY WINNERS

Some awards which deserve recognition were presented before our school year started. On these two pages we recognize these individuals and groups which were outstanding winners.

Mrs. L. B. (Mother) White retired as dean of women at North Greenville Junior College June 1, 1957, after serving the school in that capacity for sixteen years.

In appreciation of her service, a portrait of "Mother" White, which was purchased by the students, has been placed in White Hall of the girls' dormitory.

Mrs. White is making her home with her daughter, Miss Edna White, at Greer.

We honor Mrs. White on her day.

MUSIC MAKERS

The College Choir, under the direction of Charles Gatwood, makes a valuable contribution to North Greenville with its spiritual influence. Each year the Choir makes a tour of the state carrying its message to others.

We sing aloud unto God, our strength.
—Psalms 81:1

Etude Honorary Society

The Etude Honorary Society is composed of students who maintain a B average in music. The purpose of the Society is to promote and encourage participation in the musical activities of the campus.

OFFICERS

Left to Right: Milton Nelson, Vice-President; Edna Ann Collie, Secretary; Max Patterson, Program Chairman; Page Maness, President; Gene Jackson, Treasurer and Social Chairman.

DAY STUDENTS

The day students play a vital part in our school life. Though they generally are here only for classes, many rich friendships develop between them and the boarding students.

DAY STUDENTS

These men travel 50 or more miles each day to and from school. Left to right they are: William McLauchlin, Wayne Harper, Bill Helderman, Kenneth Ridings, and Bill Searcy.

Our day students pose in front of the main building.

For those who are interested in painting and sculpture work, North Greenville has provided a class for instruction in these arts. Many students find pleasure, as well as education, in this class.

The last High School Class—Nancy Tol-lison, Clarabel Ching, Rachel Dill, Charles Hubbard. Second row: Gulie Hightower, Milton Nelson, Wayne McCraw, Joanne Holcombe.

Part of our life on campus is spent looking at Glassy Mountain. As we reflect on the years she has seen we are able to recognize the changes occurring in our own life at North Greenville. 1957 was the last year we had a high school class and 1958 has seen advancement with the building program.

The view of Glassy Mountain from our own hilltop.

Life at North Greenville includes time out from study for periods of fellowship. The canteen is a popular place in the afternoons and following supper, while courting couples find many places for a few minutes alone.

JEANNE BAKER
MAY QUEEN '57

THE MONTH

May Day celebration has been traced back to the Floralia of the Romans, the festival in honor of Flora, the goddess of flowers, who is identified with the Greek goddess Chloris.

Although the observance of May Day has changed from the symbolical character of the Old World's origin, it is regarded as a day when a May Queen, chosen by the students is crowned with appropriate ceremonies. The May Pole Dance, an old favorite of all, is followed by various gymnastic exercises to entertain the Queen of the day.

HAIL TO THE CHAMPIONS

North Greenville's best known winners have come from the game of basketball. It is through sports that we gain not only present victories, but also that strength of character which enables us to emerge victorious in many future battles of life.

BASKETBALL

ALL AMERICAN – PETE CARLISLE

Led by team captain and All-American Pete Carlisle, the 1956-57 Mounties posted a fine 22-3 won-lost record in regular season play. They came out of the Conference Tournament undefeated, which gave them the Conference Championship. Next in the climb of the Mounties was the Regional Championship which they took the best 2 out of 3 of the most thrilling games of the year away from E. M. I. After such performance, there was no question that they would travel to the National Junior College Championship Tournament in Hutchinson, Kansas. The boys turned in a good performance against strong competition and took control of eighth place in the nation.

The 1957-58 Mounties turned in a great season

with a 23-2 won-lost record. The team was led by Pete Carlisle, 1957 All-American; Mel Quick, Most Valuable Player of the Greer Tournament; and Dag Wilson, one of the Better Centers of the South; and backed by Russell Milton and Mickey Long along with a "Better Than Average" bench. They have not only been able to beat their opponents, but they have been able to break the 100 point barrier 9 times.

At the time this Aurora went to press, it seems that the Mounties are well on their way to another Conference Championship along with hope and great potential strength for the Regional Championship and a bid to the National Junior College Championship Tournament.

BASEBALL

In 1957 the Baseball team, led by pitcher Larry Stokes, finished the season with an average record. Because of the lack of experience and depth, the team found it difficult to compete with the top teams in the conference.

It seems that 1958 will bring an altogether different story. Coach Dick Campbell says, "We have a number of experienced sophomores back from last year along with excellent freshman material and because of this I believe that we can have the best team that has ever been at North Greenville."

Mike,

You have been one of my close friends while at school and I surely treasure it. I was really watching you in your spot career here at school and was getting you to win the tournament last year at Asheville. I cheered for you out there on the basketball court and said many prayers for you when you were playing. I know that you could make it for you have a great desire to live and succeed. You have made a great record in sports and in books and I congratulate you. I hope that you will continue to have as much interest in sports in the future as you have had in the past. I've enjoyed playing with you and have had much fun serving our community. Tests with you. Best of everything is the future. I hope that you get that job this summer.

Mike,
It has been great knowing you these years. So sorry you got run out of the library so much, but I tried. Maybe someday things up here will be different. You are a great guy, and you will really go places in this world. Always keep your good personality and count me among your many friends. May you have the very best life has to offer.

Mike,
It has been a pleasure of knowing you this year. You have made a great President of the Soph. Class. I wish you the best of luck in life.

Mike,
I really don't know how to start. You really mean a lot to me, as a friend. I shall never forget our "cutting" each other low, but really it was fun. We have had lots of fun up at N. Y. Maybe we will see each other again, if I work up at Greenville.

Mike, keep up the good work and I'm sure you will go places in life. Here's wishing a nice guy the best of luck, love, & happiness.

Love,
Patsy

Dearest Mike

How could I ever try to find words to tell you how much you mean to me. I was so very glad that I got to know you this year as well as I have. Let me begin by saying thank you - very much for doing all the things you've done for me. Thanks ever so much for listening to my many, many troubles and problems and being my big brother and advising me when I really needed it. I appreciate so much the fact that you were always there when I needed you; I shall never forget you.

Mike you have had a problem similar to one I have had several times. I truly hope you get it straightened, and soon. You are one of the best and you deserve the best - here's hoping you get it.

Your personality is great and it, alone, will carry you far in this old world.

I'll remember the night we double-dated, all the times we cut each other and just talked and acted crazy; they were all good times because you made it a good time.

Lots of luck throughout all your life, and whatever you decide to do after school, just do it with the willingness and determination you always have.

You've been a big part of this year here at N.G. and I'll miss you next year. Your life has meant more to me and influenced me more than you know.

You remember the night in Greer - the last night of choir time - when I hugged your neck and told you that I loved you? Well, I did love you then and I still do. I love you because you're such a great, swell person, and such a good friend. Please don't ever let our friendship die even after school. Think of me and good friend. May God bless you forever.

I still want to get together and have that party. Remember me - and thanks again, for everything, but most of all, for just being Mike. Lots of luck & prayers.

A friend forever,
Billie

~~Revised.~~

Mike,

Someone like you is an inspiration to anyone, but you will never know how much you have meant to me this year. We will miss you terribly next fall, but we will be thinking of you.

I shall never forget the many times we just cut-up or the wonderful response you gave at the Freshman - Sept.

May the best be yours in all you do for you deserve only just that.

Love,
Julia Ann
